Volunteer Application

If COVID-19 restrictions permit us to go ahead with in-person gatherings in October, we want to be prepared for the Celebration outreach weekend gatherings. With that in mind, if you are interested in being contacted to volunteer, please fill out this application and someone on our team will be in contact with you closer to the event to advise you of the role and shifts available to serve in, should you still wish to volunteer.

Please ensure the information requested in both steps is filled out in its **entirety** so that your application can be processed without delay. Please note that occasionally we may have more volunteers than the number of volunteer roles and shifts required.
